Question No: 240

Topic: Vehicles

Reference: Written

Senator: Ketter, Chris

Question:

Please provide details of the number of Commonwealth vehicles that each agency is responsible for. Where are the vehicles located? Who has use of these vehicles?

Answer:

As at 31 October 2016, ASIC was responsible for seven leased corporate vehicles. In addition, ASIC also has two Executive Vehicle Schemes (EVS) leased to two Senior Executive Staff (SES) as part of their individual workplace agreement/employment package.

The seven leased corporate vehicles are located in the secure parking facilities of each ASIC office (two in Melbourne, two in Perth, one in Sydney, one in Brisbane and one in Traralgon). The two EVS vehicles are both located in Sydney.

The seven leased corporate vehicles are used by ASIC employees for official business purposes. The two EVS vehicles are used by the two SES for business and private use.
