Supplementary Budget Estimates

2016 - 2017

Division/Agency: National Competition Council

Question No: 343

Topic: Company cars in salary packages

Reference: Written

Senator: Ketter, Chris

Question:

How many staff have access to company cars within their salary packages?

Answer:

As at 31 October 2016, the Council had no staff with access to company cars within their salary packages.

Please note that the National Competition Council no longer employs staff directly but rather procures resources from the Australian Competition and Consumer Commission under a Memorandum of Understanding. For further information refer to the Council's website at http://ncc.gov.au/about/about_us.
