Division/Agency: National Competition Council

Question No: 362

Topic: Wi-fi network

Reference: Written

Senator: Ketter, Chris

Question:

- 1) Is there a wi-fi network on the department/agency premises?
- 2) If yes:
 - a. Who provides the wi-fi network?
 - b. What is the cost of operating and maintaining the wi-fi network?
 - c. What is the speed of the wi-fi network, for both uploads and downloads?
 - d. What level of security is the wi-fi network set to?
 - e. What access protocols are in place to access the wi-fi network?
 - f. Who can access the wi-fi network?
 - g. With what electronic devices can the network be accessed? Can personal devices of staff access the network?

Answer:

1. The National Competition Council does not own or lease any premises. Accommodation is provided by the Australian Competition and Consumer Commission (ACCC) in their Melbourne office under the NCC-ACCC Memorandum of Understanding. Wi-fi is available on the premises, but belongs to the ACCC.
2. Please refer to the ACCC response for further details of the wi-fi network.
