Minister's plan to publish details by individual provider of debt not expected to be repaid

Question

"Can the department provide further information on the Minister's plan to publish details by individual provider of debt not expected to be repaid?

What other aspects of providers' performance are included under the Government's proposal?

What would be the quantum of funding reductions under this proposal? What formulae would be applied?

Will this proposal be included in legislation? When will that legislation be introduced?"

Answer

The matter is under consideration.
