

Youth Connections funding by YAT region

Explanatory Notes:

- (a) Total Region Funding includes: Youth Connections programme funding; an additional \$1.4 million in 2012 and 2013 for Youth Connections providers to better support teenage parents in 10 pilot locations as part of the Building Australia's Future Workforce (BAWF) measures introduced in the 2011-12 budget; and funding separately allocated for the increases allocated under the Social and Community Services - Modern Award (SACS). All funding is Australian Government funding.
- (b) Four regions have changed providers over the programme period. Funding amounts are total amounts for the region, including funding provided to former and current provider.
