*Note: Funding figures include Capital Grants Programme, Trade Training Centres in Schools and Trades Skills Centres. Building the Education Revolution is also included for 2011-12. The Capital Grants Programme is a calendar year programme and funding has been split into financial years for the purpose of this table.*

#### Capital Funding for Government Schools

- Since 1 January 2014, Australian Government funding for government schools (including its contribution towards the capital needs of government schools) has been delivered through the *Australian Education Act 2013*.
- As a result capital funding for government schools is not reported separately.
