Department of Education and Training Question No. SQ16-000154

Senator Lines, Sue provided in writing

distributional analysis for families and children that will be better and worse off

Question

In relation to the Minister's media release from 30 January 2016 "One million families to benefit from child care reforms".

What is the distributional analysis for families and children that will be better and worse off as a result of the child care changes? On average, how will low, middle and higher income families be impacted by the changes? Please provide this information in the finest scale income bands possible.

Answer

Please refer to Additional Estimates question SQ16-000142.
