Department of Education and Training Question No. SQ16-000190

Senator Lines, Sue provided in writing

Nanny pilot program

Question

How many of the 3000-odd registered families nationally have actually used a nanny under the pilot? How many sessions have been used? How many hours have been used? Please provide a breakdown of the use of nannies under the pilot since it began.

Answer

The department is aware that provision of care has commenced but has not yet received data on care delivered under the programme. Service providers need to provide quarterly acquittals.
