Department of Education and Training Question No. SQ16-000376

Senator Carr, Kim provided in writing

Establishing the office of the Minister for International Education

Question

Please provide details of the resource implications of establishing the office of the Minister for International Education. What has been the cost in staffing, stationery, IT and other areas? How many Departmental Liaison Officers have been appointed?

Answer

The costs of establishing the office of the Minister of International Education have been:

- Cost of staffing - please refer to the Department of Finance
- Office services including stationery \$1184.77
- ICT \$5797.36

There is one Departmental Liaison Officer appointed to the Minister's Office.
