Department of Education and Training Question No. SQ16-000504

Senator Carr, Kim provided in writing

Changes to university Acts in WA

Question

Has the Commonwealth held discussions with the WA Government about these changes? If so, please provide details. If not, what consultation is planned?

Answer

In response to this question on notice, the department contacted the Western Australian Department of Education Services, which confirmed no such legislation has been introduced to the Western Australian parliament.
