Department of Education and Training Question No. SQ17-000190

Senator Cameron, Doug provided in writing.

Industry Skills Fund (training developed)

Question

Please outline the training that was developed under the ISF eg courses, skill sets, qualifications, enterprise specific training?

Answer

The Industry Skills Fund supported businesses to access training tailored to meet specific business needs. This included different combinations of training modules to form new skill sets and training tailored to meet specific business needs. No funding was provided for the development of new qualifications or training packages.
