ACARA - 2014 National Report on Schooling

Question

Why hasn't the 2014 National Report on Schooling been published yet? When will it be published? What is the delay?

The Australian Curriculum Assessment & Reporting Authority (ACARA) has provided the following response:

The 2014 National Report on Schooling will be published shortly, following endorsement by COAG Education Council. Recent policy decisions will enable more timely publication of national school data in the future.
