Teachers wages

Question

In your Quality Schools Quality Outcomes document, you state Poland and Korea perform better than Australia but fund schools less. What are their teacher wages relative to the wages teachers receive in Australia?

Answer

The Organisation for Economic Co-operation and Development (OECD) publishes teachers' annual statutory salaries in public institutions in *Education at a Glance*, which can be found at www.oecd.org/edu/education-at-a-glance-19991487.htm.
