Department of Education and Training Question No. SQ17-000488

Senator Collins, Jacinta provided in writing

ACARA - Students meeting the national minimum standard

Question

Provide the most up to date possible list of schools in which 100% of students are meeting the national minimum standard for their year levels.

Answer

The Australian Curriculum Assessment & Reporting Authority (ACARA) has provided the following response:

ACARA has been directed by Education Council to minimise the risk of publication of simplistic league tables. These are taken to be, broadly, ranking of schools by performance information or school level performance reporting in the absence of contextual information.

Providing the information requested is not consistent with this direction from Education Council.
