Question

ABCC - SES pay rises

Have ABCC SES group officers received salary increases in the past three years? If so, which officers, what was the percentage salary increase and when was it awarded?

Answer

The approach taken by the APS in answering Senate Estimate questions about staff is not to identify individuals. The salaries of three SES officers were increased on 11 August 2016 by between 11.81 per cent and 13.51 per cent.
