Question

Memberships at Independent Contractors Australia

Senator CAMERON: How many members do Independent Contractors Australia have?

Mr Kibble: In terms of their association?

Senator CAMERON: Yes.

Mr Kibble: I would have to take that on notice.

Answer

Independent Contractors Australia (ICA) has not published its membership numbers.

The ICA has stated publicly that “membership is open to all independent contractors or those who are interested in being independent contractors. Membership is also available to companies who use independent contractors and industry groups whose members use independent contractors”.
