Dear Committee Secretary

Correction to Question on Notice EMSQ 17-001501

I refer to Question on Notice EMSQ17-001501 arising from the Additional Senate Estimates hearing on 2 March 2017.

In response to question "how many building code assessment agreements were conducted in the 2016 calendar year" the answer provided was 767. This should be amended to 472. The difference refers to the 295 agreements which were closed with no assessment having been conducted against the Building Code 2013 following the commencement of the *Code for the Tendering and Performance of Building Work 2016* on 2 December 2016.

Yours sincerely
