Dear Committee Secretary

Request to correct response to question on notice EMSQ17-003965

The Fair Work Commission is seeking to correct part of its response to question on notice EMSQ17-003965.

In preparing answers to questions on notice from the October 2017 Supplementary Budget Estimates hearing it has emerged that the answers to questions 2 and 3 of EMSQ17-003965 were not fully accurate.

The Commission seeks to substitute the attached response for the previously submitted response.

The earlier response made unverified assumptions about the initiation of the practice to publish enterprise agreements that had been filed for approval on the Commission's website. Similarly, whilst the earlier response advised that the practice commenced in 2010, we have been unable to confirm precisely when the practice commenced.

We apologise for the inconvenience that this matter has caused.

Yours sincerely
