Department of Education Question No. ED0373_15

Senator Carr asked on 5 June 2014 , Hansard page 77

Question

Effect of policy changes of each institution

Senator KIM CARR: You were going to indicate the financial advice of each institution. I am particularly interested in dual sector institutions across the country. Are there any particular circumstances with dual sector institutions that make them more vulnerable in the circumstances of the policy changes that have been announced? Ms Paul: Sure. We are happy to take that on notice and have a think about each one

Answer

The Department does not expect that the proposed Commonwealth Grant Scheme (CGS) changes will show that there is a disproportionate impact on dual sector institutions.
