**Question**

**Lobbyist register meetings**

List all interactions between the department/agency with any representative listed on the lobbyist register since Additional Estimates in February, 2014. List the participants in the meeting, the topic of the discussion, who arranged or requested the meeting, the location of the meeting.

**Answer**

The Lobbying Code of Conduct does not require Government representatives to centrally document the information sought in relation to interactions with registered lobbyists. To attempt to provide this level of detail would involve an unreasonable diversion of resources.
