  - a. List each item of expenditure and cost

  - c. Are any departmental staff required to work outside regular hours to maintain the Minister's website?

**Answer**

There has been no development work on the Minister's website (Minister's Media Centre) since Additional Estimates in February 2014, other than the usual maintenance, which has been undertaken using existing departmental staff. Staff members in the Media team are responsible for uploading information to the Minister's Media Centre. The department has no specific rostering arrangements to maintain the Minister's website out of hours.
