Department of Employment Question No. EM0407_15

Senator Ludwig provided in writing.

Question

FWBC - Contracts under \$10,000

Please provide a detailed list of all contracts entered into worth between \$4,000 and \$10,000 since September 7th, 2013

Answer

The FWBC only maintains a contract register for contracts over \$10,000 and it would therefore be an unreasonable diversion of staff resources to determine a precise response regarding contracts under \$10,000.
