Answer

For details of current employment numbers refer to the answer for EM0604_15.

For details of ongoing and non-ongoing employee numbers refer to the answer for EM0609_15.

The Department of Employment did not exist at 30 June 2013.

While the Department of Employment was created on 18 September 2013, the staff profile of the agency was not clear at that time because the administrative orders required the movement of a number of functions and the employees that performed them to other departments.
