Outcome 1 - Employment

Department of Employment Question No. EM0875_15

Senator Tillem asked on 3 June 2014 on proof Hansard page 89

Question

Exit rates by stream

Ms Taylor: Can I also say that those people who come on, particularly in streams 1 and 2, do get jobs already. So it is not saying there is an additional 53,000 on top of the rest of our streams 1 and 2 that would have got jobs. I am sure we could get the exit rates by stream on notice for you. Senator TILLEM: That would be helpful.

Answer
