**Senator Lines provided in writing.**

**Question**

**Child Care Rebate (CCR) - Productivity Commission activity test**

What would the figures be - nationally and by state and by electorate - for children and families currently receiving CCR that would fail the PC's recommended activity test (as per PC technical paper- based on DEEWR administration data, page 29)? If possible please provide a breakdown of those with a parent working some hours and those with a parent not working at all.

**Answer**

The Department has not modelled this scenario.
