Senator Ludwig provided in writing.

Question

Dept & its agencies: Documents provided to minister

1. Excluding policy or correspondence briefs, how many documents are provided to the Minister's office on a regular and scheduled basis? Including documents that are not briefs to the minister and do not require ministerial signature.
2. List those documents, their schedule and their purpose (broken down by ministerial signature and office for noting documents)
3. How are they transmitted to the office?
4. What mode of delivery is used (hardcopy, email) for those documents?
5. What level officer are they provided to in the minister's office?

Answer

The department provides documents to the Minister's office to facilitate operations, however these are varied and transmitted in various ways. To compile a complete list would be an unreasonable diversion of resources.
