Question

VET FEE-HELP - increase in loans

In relation to VET FEE HELP, please provide a breakdown of courses where the numbers of students taking on these loans are increasing and the locations of these courses?

Answer

A breakdown of the number of students accessing VET FEE-HELP loans by course of study, campus location (postcode) and year is at [Attachment A](#). Column 'N' shows the percentage change in the number of students accessing VET FEE-HELP loans by course of study and campus postcode between 2012 and 2013. Percentages above zero indicate an increase in the number of students accessing VET FEE-HELP. Note that cases in which there were no students accessing VET FEE-HELP loans in 2012 have not been counted as increasing.
