Senator Wright provided in writing.

Question

Students with disability

1. What reports have been prepared or are being prepared relating to the outcomes of the 2014 Nationally Consistent Collection of Data on Students with a Disability? 2. What reports have been prepared relating to the use of the data for the creation of a disability loading? Please provide copies of those reports where available.

Answer

There is no report relating to the outcomes of the 2014 Nationally Consistent Collection of Data on School Students with Disability (NCCD). The 2014 data is currently being analysed, following the closing date for the submission of data on 31 October 2014.

On 3 December 2014 an order was tabled in the Senate for the production of confidential documents relating to the NCCD. The documents are to be tabled no later than 3 pm on Monday 9 February 2015.

In 2014 a report was prepared relating to the use of the 2013 NCCD for the creation of a disability loading. This report is not publicly available as it was prepared to inform confidential advice to education ministers.
