Question

SWA - Cloud Services and Storage

1. Is the department using or planning to use cloud digital services (e.g. storage, computer software access etc)? If yes: 2. What date did/will cloud services be deployed in the department? 3. Please provide a list of all cloud services in use or being considered for use. 4. How much do these services cost? Please break down by service. 5. How much cloud storage (in gigabytes) is available for departmental use? What percentage of the available total is in use? 6. How much does this cloud storage cost per month? 7. What security arrangements are in place to protect cloud based services and storage? 8. Have any security analysts been employed / contracted to advise on the implementation and upkeep of these security arrangements? 9. What has been the cost of security for the cloud? Please provide a breakdown.

Answer

Safe Work Australia is not currently using or planning to use cloud digital services. ICT infrastructure and digital services are currently provided to Safe Work Australia under a Memorandum of Understanding with the Department of Employment and Department of Education Shared Services Centre.
