**Answer**

1, 2, 3 and 4. In accordance with Resource Management Guide no. 405, issued by the Department of Finance in July 2014, the Minister is required to approve departmental international travel where the estimated cost is between \$20,000 and \$50,000. The Resource Management Guide is available from the Department of Finance. The date of effect of the policy was 16 December 2013, via Finance Circular 2013/06 (which was replaced by Resource Management Guide 405).

5, 6 and 7. There have been no instances of international travel requiring the Minister's approval in the period 1 July to 31 October 2014. For travel requiring ministerial approval, a request for approval for international travel is submitted through the CEO of the Asbestos Safety and Eradication Agency to the Minister.

8. Nil.

9. For the period 3 June to 23 October 2014, the Asbestos Safety and Eradication Agency spent \$42,534.12 on travel expenses for Agency staff and Council members. The breakdown of expenses is: \$32,981.06 for airfares; \$6,096.09 on accommodation, and \$3,456.97 on other costs such as meals and incidentals. To provide the requested level of detail would require an unreasonable diversion of resources.

10 and 11. See response to part 5.

12. The agency does not specifically budget or plan for individual travel. Travel is one cost of the agency's business of policy and programme administration. Travel is undertaken for a range of purposes, including to meet with stakeholders and to consult on government policies and programmes.
