Supplementary Budget Estimates 2015 - 2016**

**Outcome: Cross Portfolio - Corporate**

**Department of Education and Training Question No. SQ15-000639**

Senator Urquhart, Anne asked on 21 October 2015, Proof Hansard page 11

***MoG: packing and moving***

**Question**

Ms Paul: We always do moves over weekends.

Ms Monkley: A lot of our people can either work from home or work out of the office, or we often find other accommodation for them to temporary work from.

Senator URQUHART: What about time for packing up because obviously, when people move, you might be able to move over a weekend but there is time spent packing up? When is that done?

Ms Paul: We would have to take that on notice.

Senator URQUHART: That is done during the normal working patterns I suppose?

Ms Paul: Not necessarily. I think we should take that on notice and just ask the people. I have not had to do it, so I think it is hard to answer. We will take it on notice and get a sense of it.

**Answer**

In the week prior to the move, crates were delivered to affected staff. This allows them time to pack their belongings when they have an opportunity to do so.
