**QUESTION ON NOTICE  
Supplementary Budget Estimates 2015 - 2016**

**Outcome: Agency: AITSL**

**Department of Education and Training Question No. SQ15-000691**

Senator O'Neill, Deborah asked on 21 October 2015, Proof Hansard page 114

***AITSL - commissioned reports or research publications***

**Question**

Senator O'NEILL: Would you be able to provide a full list of reports or research publications that are commissioned by AITSL? Do you do that as part of your work?

Mr Misson: Yes, we can. Those are collected in one place on our website so I am sure we can easily extract those.

Senator O'NEILL: That would be wonderful, and any that have not been published yet but are in the drafting or commissioning stages.

Mr Misson: Again, we can help with those.

**Answer**

The Australian Institute for Teaching and School Leadership (AITSL) has provided the following response.

In order to address this request, two links are attached that connect to AITSL commissioned research. The first link connects to the (publicly available) AITSL Research Repository where completed research that has been commissioned by AITSL is located to enable stakeholder access.

The second list is a collection of research that is publicly available and relates specifically to school leadership. Within this school leadership collection are some AITSL commissioned reports on this subject. AITSL stakeholders are also able to access this list. Some reports will be in both the research repository and the school leadership e-collection.

In addition to the above links, there are some research reports that have recently been completed but not yet made publicly available or have been commissioned but not yet completed. Please see Attachment 1 for a list of these.
