Department of Education and Training Question No. SQ15-000700

Senator Urquhart, Anne asked on 21 October 2015, Proof Hansard page 140

Jobs for Families Package (distributional analysis)

Question

Senator URQUHART: What parameters did you put around the question on the cameos that you used here?

.....

Senator URQUHART: What I want is the distributional analysis of what you pulled out.

.....

Senator URQUHART: For the modelling that you have done around this.

Ms Paul: Do you want: how many families are in each—

Senator URQUHART: Yes.

Ms Paul: Sure. We can take that on notice.

Answer

The cameos were prepared by the Department of Social Services. They have used the agreed growth rates for the Consumer Price Index, the Wage Price Index and child care fees.

As these are cameos there is no distributional analysis available.
