Supplementary Budget Estimates 2015 - 2016**

Outcome: Higher Education Research and International

Department of Education and Training Question No. SQ15-000795

Senator Carr, Kim provided in writing

Research Infrastructure Review

Question

What kind of research infrastructure in addition to NCRIS facilities was considered in the Review of Research Infrastructure? Did it, for example, consider funding arrangements for the Australian Synchrotron and Marine National Facility?

Answer

The terms of reference for the Research Infrastructure Review (the Review) asked it to undertake an assessment of existing research infrastructure provision and requirements that will inform future commitment to ongoing funding for critical research infrastructure in Australia.
