Outcome: Skills and Training

Department of Education and Training Question No. SQ16-001151

Senator Cameron, Doug asked on 20 October 2016, Proof Hansard page 132

Apprenticeships Reform Advisory Group

Question

Senator CAMERON: Can you provide all the correspondence, file notes and minutes from that group, to outline how they assessed and how they went through that process.

Senator Birmingham: We will take that on notice.

Senator CAMERON: Why would you need to take it on notice?

Senator Birmingham: Because I do not think anybody has such information at the table right now.

Senator CAMERON: Is it available?

Senator Birmingham: We will take it on notice, and make available what can be made available.

Senator CAMERON: So you will make available what can be made available—that is good. Who approached the MBA to present?

Dr Banerjee: We understand it was the chair of the advisory group, but we would need to double check that.
