Question:

I refer you to question F11 from Supplementary Estimates in 2014.

1. Given that the report was due by the end of 2014, has it actually been completed and submitted to government? If no, why not? If yes:
2. Please provide a copy of the findings.

Answer:

The Audit of Australian Government ICT was completed in December 2014. The Audit report was provided to the Minister for Finance in January 2015.

The Minister for Finance is considering the report and it would not be appropriate to release it at this time.
