

**Senate Finance and Public Administration Legislation Committee**  
**ANSWERS TO QUESTIONS ON NOTICE**  
Additional Budget Estimates Hearings 8-12 February 2016

Prime Minister and Cabinet Portfolio

**Department/Agency: Outback Stores Pty Ltd**  
**Topic: Sugar drinks**

**Senator: Senator Moore**

**Question reference number: PM88**

**Type of question: FPA Friday 12 February 2016, Page 21**

**Date set by the committee for the return of answer: 1 April 2016**

**Number of pages: 3**

**Question:**

**Senator SIEWERT:** Do you have figures readily available from previous years on soft drink?

....

**Mr Moore:** From 2012 we have dropped the market share of full-sugar soft drink. In 2012 the market share of drinks—77 per cent of drinks sold—was full-sugar soft drink. In this past year it has dropped to 68.3 per cent. So we are making inroads but they are small. We need to do much better.

**Senator PERIS:** Do you have 37 stores now or is it 36?

**Mr Moore:** There are 36 at the moment.

**Senator PERIS:** Is it possible for you to breakdown the amount of soft drinks by each store?

**Mr Moore:** Yes we can.

**Senator PERIS:** And also the turnaround in terms of the delivery time of fresh fruit and vegetable produce.

**Mr Moore:** I will have to take those on notice.

**Senator PERIS:** That is fine.

**Senator SCULLION:** Are you asking for the time between each fresh food arrival?

**Senator PERIS:** For each of the stores—

**Senator SCULLION:** By barge or truck—

**Senator PERIS:** Yes barge or truck, and for the breakdown of those soft drinks.

**Mr Moore:** Yes, no worries.
