Senate Finance and Public Administration Legislation Committee
Parliament House
CANBERRA ACT 2600

Dear Ms Beverley

Senate Additional Estimates—Department of Parliamentary Services

I would like to clarify evidence I provided to the Committee on 27 February 2017.

During the hearing for DPS, I advised the Committee that the “first draft of [the conservation management plan and the design principles documents] arrived on my desk shortly after I commenced with DPS in December 2015.”

I would like to clarify that this was a reference to the first draft that I had received. It was not the first draft of the conservation management plan produced as there had been multiple versions considered prior to my appointment.

I would appreciate you bringing this to the attention of the Committee.

Yours sincerely

Rob Stefanic
Secretary
