Dear Colleagues

I refer to your letter of 30 March 2016 regarding the administration of the *Parliamentary Service Act 1999* and my role as Parliamentary Service Commissioner.

I note your decision to discontinue the dedicated Parliamentary Service Liaison Officer role. My staff will contact [REDACTED] at [REDACTED], regarding future proposed amendments to the *Public Service Act 1999* and subordinate legislation.

You have proposed that the preparation of my Parliamentary Service Commissioner Annual Report be undertaken within my office in the future. I agree with this proposition. My staff will liaise with [REDACTED] at the appropriate time to request relevant information for inclusion in the report.

Yours sincerely
