Topic: **Shop –Australian Made products**

Question: **91**

Written: **Senator Kitching**

Date set by the committee for the return of answer: 7 July 2017

What percentage of products sold in the Parliament House Shop are Australian-made?

Answer

Approximately 80% of the shop product range is Australian made or designed. DPS seeks to stock products that are made and/or designed in Australia wherever possible, however some stock items are not produced locally. In many of these cases, there is an Australian design element or supply chain elements.
