

QoN No	Outcome	Senator	Broad Topic	Question	Hansard/Ref	Date received	Tabled
SQ14-001193	5 - Primary Health Care	McLucas, Jan	Chronic Disease	Chronic Disease Local Community Campaigns: Are they in smoking directly, or are they more broad than that? Is that a term that you are aware of?	24/10/2014, pg 57		
SQ14-001189	5 - Primary Health Care	McLucas, Jan	Tackling Smoking Programme Review	What are the Terms of Reference of the Tackling Indigenous Smoking Review?	24/10/2014, pg 56		
SQ14-001190	5 - Primary Health Care	Siewert, Rachel	Tackling Smoking Programme Review	What are you doing about their level of activity when people cannot recruit new staff but already have obligations on work that are supposed to be performing? Can you give me examples of where that has occurred? At this stage I have spoken to people where that, in fact, is not the case and they think that they are still obligated to deliver on what they are originally asked to deliver.	24/10/2014, pg 56		
SQ14-001188	5 - Primary Health Care	McLucas, Jan	Aboriginal and Torres Strait Islander Chronic Disease Fund	The Aboriginal and Torres Strait Islander Chronic Disease Fund webpage on the Department of Health website states that the page is still under construction, why? And the link to the guidelines on the Department of Health website of the fund no longer exists. That is because, I expect, the funding is not called that anymore. Is that right? – This question is Indigenous-specific.	24/10/2014, pg 55		
SQ14-001192	5 - Primary Health Care	McLucas, Jan	Indigenous Smoking Rates	What is the current update figures for the nicotine replacement therapy for Aboriginal and Torres Strait Islander peoples?	24/10/2014, pg 57		
SQ14-001195	5 - Primary Health Care	Siewert, Rachel	Renal	In relation to renal dialysis, the \$10 million available to spend in how to best use to support renal patient accommodation in Central Australia. What are the options being discussed at the moment with the NT Government? What are the options being explored at the moment with the NT Government?	24/10/2014, pp 57-58		
SQ14-001194	5 - Primary Health Care	McLucas, Jan	Chronic Disease	Can you provide a status update on the activities of Live Longer?	24/10/2014, pg 57		
SQ14-001196	5 - Primary Health Care	McLucas, Jan	Tackling Smoking Programme Review	In relation to Tackling Indigenous Smoking teams, in May there were 173 full-time equivalent and 210 people employed in the Tackling Smoking teams and that the unfulfilled full-time equivalent was 171. Can you please provide an update on those figure as of today (24/10/14)?	24/10/2014, pp 59-60		
SQ14-001191	5 - Primary Health Care	McLucas, Jan	Tackling Smoking Programme Review	I understand that about \$30 million of \$67 million is for the "Tackling Smoking programme". Can you give me a list of what the other \$37.3 million is?	24/10/2014, pg 57
