Committee Secretary  
Senate Finance and Public Administration Committee  
Parliament House  
CANBERRA ACT 2600

Dear Ms Beverley

**Correction to Question on Notice No. 22 Supplementary Budget Estimates October 2015**

I wish to correct the response to Question on Notice No. 22 from the October 2015 Supplementary Budget Estimates Hearing.

The response stated 'The individual was escorted to a function by another Member before being brought back for a pass.'

Further examination of this matter has revealed that it is not clear whether the individual was escorted at all times.

An amended response to Question on Notice No. 22 is attached.

I apologise for the earlier incorrect response. I would be grateful if you could draw this to the Committee's attention.

Yours sincerely

Rob Stefanic  
Secretary
