Dear Senator Paterson, *James*

I wrote to you on 22 November 2016, to provide advice on the top four campaigns in terms of media expenditure by non-corporate Commonwealth entities during 2015–16 (MS16-001470 refers). I am now writing to you to provide further information in respect to this earlier advice.

Recently my department completed the *Campaign Advertising by Australian Government Departments and Agencies: Annual Report 2015–16*, which is to be tabled on 5 December 2016. In finalising the report, the final figure for the National Campaign to Reduce Violence Against Women and their Children is \$10.5 million.

I apologise for this additional update. My previous response provided the information that was available to me at that time.

Yours sincerely

SCOTT RYAN
