Prime Minister and Cabinet Portfolio

Department/Agency: Indigenous Business Australia
Outcome/Program: Outcome 2; Indigenous
Topic: Contractors and Consultants

Senator: McAllister

Question reference number: 226

Type of question: Written

Date set by the committee for the return of answer: 2 December 2016

Number of pages: 3

Question:

1. What was the total expenditure on contractors and consultants in the 2015-16 financial year?
2. For each contract or consultancy in the 2015-16 financial year, please outline:
 - a) The project or engagement;
 - b) The value of the contract;
 - c) The name of each firm or contractor engaged;
 - d) The purpose of the contract; and
 - e) Total payments made to each contractor or consultant.

Answer:

1. Expenditure on consultants in the 2015-16 financial year was \$1,337,008.
2. The table below details payments to consultants in the 2015-16 financial year. Total payments made to each consultant are exclusive of GST.

Contractors have been excluded from the above response due to the significant number of subsidiaries under management by IBA. As at 30 June 2016, IBA held 40 separate subsidiaries. Providing this level of detail would involve an unreasonable diversion of resources.
