Outcome/Program: Outcome 2; Indigenous
Topic: Indigenous Employees – Hours Worked

Senator: McAllister, Sue

Question reference number: 96

Type of question: FPA Friday 21 October 2016, page 9

Number of pages: 2

Question:

Senator McALLISTER: A further question on notice, Mr Bradley. I think you indicated that 80 per cent of your staff were Indigenous or local employees. Some opposition senators have anecdotal observations that differ from that, and we would be interested to know whether that is by head count or by hours. Perhaps you could provide, to the extent your data allows you, some indication of the hours allocated to the staff?

Mr Bradley: I can tell you that figure is by head count.

Senator McALLISTER: If you were able to break it down by hours or by wages, or by something that gave some more direct indication—

Mr Bradley: I understand.

Senator McALLISTER: of how much of the employment is actually being allocated to Indigenous people, that would help us.

Mr Bradley: Okay.
