IMMIGRATION AND BORDER PROTECTION PORTFOLIO

**(AE16/142) - Workplace assessments - Internal Product (DIBP)**

Senator Ludwig, Joe (L&CA) written:

Since the change of Prime Minister on 14 September, 2015:

1. How much has been spent on workplace ergonomic assessments?
1. List each item of expenditure and cost
2. Have any assessments, not related to an existing disability, resulted in changes to workplace equipment or set up?
3. If so, list each item of expenditure and cost related to those changes

*Answer:*

The Department does not separately record the cost of workplace ergonomic assessments in its general ledger. As such, a breakdown of these costs is not able to be determined without significant diversion of resources.
