(AE17/103) - Coffee machines - Internal Product (DIBP)

Senator Bilyk, Catryna (L&CA) written:

Can an itemised list of coffee machines at departmental premises please be provided including (i) make and model; (ii) purchase or lease cost; (iii) ongoing maintenance costs; (iv) ongoing cost of supplying coffee and other consumables?

Answer:

As these are low value items they do not meet the criteria for an asset, and hence are not reported on any departmental asset register. To individually identify coffee machines within the department would have to be undertaken manually and this would be an unreasonable use of departmental officers' time and resources.

No coffee machines have been purchased as part of any fit out or upgrade to facilities in the last 12 months.
