BUDGET ESTIMATES – 26 – 27 MAY 2014

IMMIGRATION AND BORDER PROTECTION PORTFOLIO

(BE14/107) PROGRAMME – 1.3: Migration, Border Management and Citizenship

Senator Carr (L&CA 80) asked:

Senator KIM CARR: Thank you. There is a Sydney English Language Centre listed as the International College of Management. Does it teach degree courses or only English language courses?

Mr Bowles: Again, if you have a list of places you want to know something about, if you put the questions on notice we will endeavour to answer your questions.

Answer:

Sydney English Language Centre is not participating in streamlined visa processing (SVP) and is not included in the list of 19 non-university providers that were given access to SVP in March 2014.

Sydney English Language Centre is a nominated business partner of the International College of Management. As such, students are able to package preliminary courses with the Sydney English Language Centre when undertaking an eligible higher degree course with the International College of Management.
