Senator McKim, Nick (L&CA) written:

1. Given Ferrovia is not renewing contracts for Nauru past October, what is happening with the tender process?
2. Who are bidding for the Nauru contract?
3. When will decisions about the next contract holder be made?
4. How much is the Nauru contract worth?
5. Can you provide a copy of the tender documents?

*Answer:*

The Department is currently considering the next steps to ensure service delivery continues in Nauru.

As there is no current procurement process underway, it is not possible to determine the value of a contract for services on Nauru.

As the Department is not currently undertaking a tender for services on Nauru, there are no tender documents available.
