Question No. SBE14/036

Senator Bilyk asked the following question at the hearing on 20 November 2014:

Senator BILYK: Holden was involved in both. Great, thank you. Were there any EOIs from BMW submitted as part of that tender?

Mr Norris: There were two from internationally based companies.

Senator BILYK: Were they BMW? Was one of them BMW?

Mr Norris: Not that I can recall. I can take that on notice.

The answer to the honourable senator's question is as follows:

BMW did not submit an EOI as part of the tender process and was not one of the two tenders from internationally based companies.
